

# PCCS health & social services

---

A co-location hub of services designed for people with complex physical and mental health needs

---

*Practically supporting wellbeing*

# Connecting essential services

Visit us at PCCS The Hub<sub>2</sub> for practical help and reliable essential services designed to make life easier and more convenient for you.

Making the management of complex health issues simpler, The Hub<sub>2</sub> brings together essential government, employment, housing, health and other important allied services in a 'one stop shop' co-location service supported by a team of experienced nurses and psychiatry registrars.

Call our welcoming team to make your appointment today.

**2570 Gold Coast Hwy, Mermaid Beach QLD 4218**  
phone: (07) 3186 4000 | visit: [pccs.org.au](http://pccs.org.au)

*Primary & Community Care Services gratefully acknowledges the financial and other support from the Gold Coast Primary Health Network and our other funding partners.*
