Linking People Into Life

What's a **life concierge**?

PCCS **life concierges** are experts at finding the ideas, information and services you need to get more out of life in the local community.

Whether you're new in town or you've just never been sure how to tackle something, don't stress out - a friendly life concierge is here to help.

Need to find a new hobby, friends or skills?
Trying to manage debts? Relationship difficulties?
Problems with your landlord? Your employer?
Whatever's on your mind - let's talk through it and find you some options to improve your wellbeing.

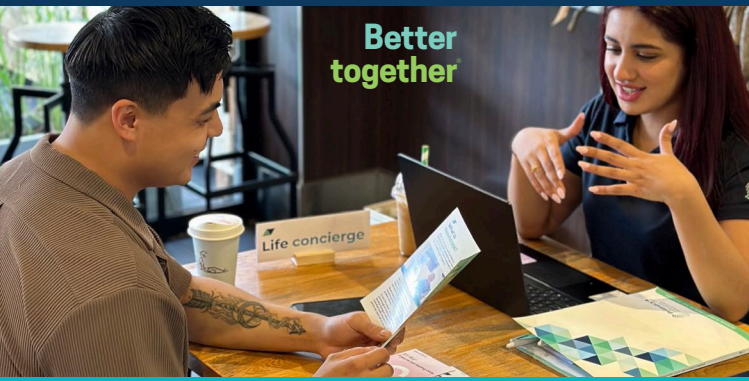

Putting **life** into living

PCCS **Life concierges** are trained specialists who will take time to listen and understand your needs. They will work with you to set a plan and goal, then find you resources and opportunities that can help you become who you want to be.

PCCS Life concierge

How can I access?

Our **life concierges** can assist anyone who lives, works or studies in the Gold Coast area. The service is free to access and you do not need any referral from any other service or professional.

Call us to chat about how we can help and to make an appointment with one of our Life concierges.
